

Cookie policy

Castello dell'Arte · 25 September 2026

1. General information

This Cookie policy applies to the Castello dell'Arte website (www.castellodellarte.org), operated by CASTELLO DELL'ARTE, a foundation entered in the KRS, ul. Domaniewska 35B lok. 122, 02-672 Warszawa, Polska.

Contact: kontakt@castellodellarte.org.

2. What cookies are

Cookies are small text files stored on the user's device while browsing. They may be used for basic site operation, remembering preferences or — if implemented — analytics.

3. Cookies we use

The Foundation's website is currently static and does not use analytics or advertising tools that require marketing cookies.

Only cookies or similar technical mechanisms necessary for proper operation, security or remembering user choices (e.g. browser language preferences) may be used, where they result from the browser or hosting infrastructure.

Fonts on the site are integrated via the application (next/font) and do not need to be loaded from external servers during browsing.

4. Legal basis

Essential cookies required to provide the service may be used on the basis of the controller's legitimate interest or rules allowing necessary cookies.

If the Foundation later introduces non-essential cookies (e.g. analytics), the required consent will be obtained before use and this policy will be updated.

5. Managing cookies

Users can manage cookies in their browser settings: block, delete or limit them. Restricting essential cookies may affect some site features.

6. Changes

This Cookie policy may be updated following technical or legal changes. The current version is published on the Foundation's website.
